Sir:

REQUEST

Submitted herewith is a PTO-1449 Form which lists the references lined-through by the Examiner on the initialed copy of the PTO-1449 Form filed June 28, 2005. The Examiner indicates in the Office Action of February 16, 2007 that the references were considered however apparently not initialed on the PTO 1449 Form because the previous listing did not include the dates of the publications. The references have been listed again on the attached PTO-1449 Form with the dates of publication and return of an initialed copy of the attached PTO-1449 Form, pursuant to MPEP Section 609, is requested.
